

THE SIMS 2 CELEBRATION STUFF PACK

Your Sims can now celebrate in style with this fun collection of furniture, party fashions, and décor items. Host the social events of the season with your Sims! Host an elegant wedding with dazzling gowns, swanky tuxedos, and breathtaking dresses for the entire bridal party. Make every moment magical for your Sims with fabulous centerpieces and even a floral wedding arch! Decorate their house and garden to throw the ultimate fiesta and serve hot meals straight off the new grill! Invite the neighbors over for an evening event and set the table with linens and tea lights to create the perfect ambiance. Or throw the ultimate birthday bash with all-new items including birthday cakes, party balloons, and more. Host the social event of the season and celebrate with your Sims!
