A new machinima directed by [Faalq](#) - who was a featured artist on The Sims 3 official youtube channel! Here below the short description and the video and of course.

*Love... everyone has a different opinion about it. Love is good. Love is sad. Love is hard. Love can save us. Love can destroy us. Love is love, and it sucks. It's hard to understand and it hurts sometimes.*

*How much would you be willing to sacrifice for the one you love?*
